

Dr. Stephen H. Munroe, DDS

Diplomate, American Board of Periodontology

1000 West Washington Street Suite One San Diego, CA 92103

Tel 619.297.0700 Fax 619.704.0688 www.hillcrestperiodontics.com Email: info@hillcrestperiodontics.com

We are proud to offer a wide range of periodontal services including (but not limited to):

- Dental implants (using all major brands including Straumann, Astra, Biomet 3i, Nobel Biocare, BioHorizons)
- Periodontal disease care (including microbiological testing, initial phase treatment, soft tissue laser therapy, periodontal surgical treatment and bone grafting)
- Soft tissue grafting and Periodontal plastic surgery (using autogenous grafts and allografts)
- Hard tissue grafting (using autogenous grafts and allografts to augment edentulous ridges, augment the sinus and ridge preservation)
- Tooth extractions related to implant treatment, to aid in periodontal treatment or to facilitate fixed or removable prosthetics
- Periodontal clearance prior to orthodontic therapy, or prior to medical surgical procedures
- 3-Dimensional CBCT imaging
- Routine cleanings and periodontal maintenance as well as post-radiation oral hygiene maintenance

We accept all dental PPO insurance, but are contracted with the following companies:

- AARP Dental PPO
- Aetna PPO
- Ameritas PPO
- California Dental Network (CDN)
- Cigna PPO
- Delta Dental PPO
- Dentemax
- GEHA
- Guardian PPO
- Humana Dental PPO
- Metlife PPO
- Premier Access
- The Standard
- Principal Financial
- United Concordia PPO
- United Healthcare PPO

We also accept CareCredit. The two plans we are contracted with are the 6 month no interest and 24 month 14.9% interest plans.

As always, we appreciate your continued referrals and thank you for choosing us to recommend to your patients.

If you have any questions, please contact the office at 619-297-0700.
